The Study Cycle

- Preview before class – skim the chapter, note headings and boldface words, review summaries and chapter objectives, and note questions you would like answered in class.
- Attend class – GO TO CLASS! Ask questions and take meaningful notes.
- Review after class – Within 24 hours, read notes, fill in gaps and note any questions.
- Study – Repetition is the key. Ask questions such as ‘why’, ‘how’, and ‘what if’.
  - Intense Study Sessions – 3-5 short study sessions per day
